Dental Aid Clinics 2019 and 2020

Volunteers Needed

Filling the Gap and ADA NSW are holding dental aid clinics on the following dates to provide pro bono treatment to marginalised people who cannot access dental treatment. All patients are clients of our partner charities. We need volunteer dentists and dental assistants. Please contact us if you would like to volunteer. You can volunteer for one clinic or as many as you like.

Everything is organised for you and you will be supported by a Clinical Coordinator and ADA NSW Dental practitioners. We just need your time and expertise to help those in need.

All Dental Clinics are held at ADA NSW, 1 Atchison Street, St Leonards 2065.
